the period of 1960-65. Numerous improvements have been made, such as adding steel siding and upgrading the kitchens, bathrooms and furnace systems.

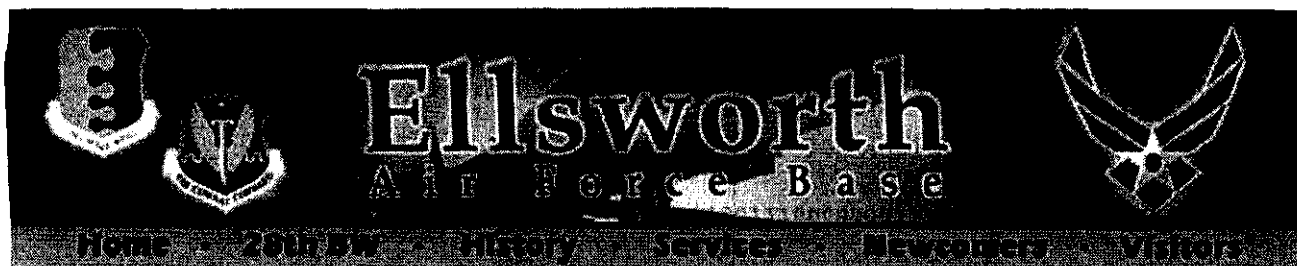

Currently, Rushmore Heights is in a demolition/rebuilding phase. We are not moving people into this area at the moment. We expect to have 75 4-bedroom Junior Enlisted units available to move into sometime in July/August 2005. We do not have floor plans available yet for viewing.

Off-Base Housing

The primary purpose of the Housing Referral Office is to assist you in locating adequate and suitable off-base housing as soon as possible after you arrive at Ellsworth AFB.

All incoming personnel are required by Air Force Instruction (AFI) 32-6001 to report to the Military Family Housing (MFH) office before making any rental, lease, or purchase arrangements for off-base housing. Please read the [lease/rental information](#) before entering into a lease agreement.

Bringing your pet to the Rapid City area can be a problem. Pets are not allowed in the TLF. Most Rapid City landlords will not allow pets, and those that do usually require a very large pet deposit. Many new arrivals board their pets in [kennels or other pet boarding facilities](#). Two pets are allowed in MFH if they are properly cared for.

The Housing Referral Office can attempt to resolve complaints or disputes to the mutual agreement of all parties relating to damage, indebtedness, lease disagreements, security deposits, etc. Contact us at 385-2573 if our services are needed.

Ellsworth AFB does not currently have anyone listed on a restrictive sanction list.

If you need the services of a realtor, the [National Association of Realtors'](#) web site lists realtors by city/state. In addition to apartment listings, the site also includes helpful information on moving and storage.

Please immediately report to the [Housing Referral Office](#) (385-2573) any form of discrimination involving race, color, sex, national origin, or any other complaints that concern off-base housing facilities.

The Air Force's three-tier system of enlisted professional military education (Airman Leadership School, NCO Academy, and SNCO Academy) do a very good job of preparing our troops for greater responsibilities, but the time gap between them is too large. To remedy this problem, the Air Force has developed Professional Enhancement courses. The Professional Enhancement courses are designed to reinforce and expand your leadership skills in addition to providing you with tools to help you and/or your subordinates grow. You will receive instruction on responsibilities, career progression, and leadership tools among many other things.

On behalf of the men and women of the 28th Security Forces Squadron, welcome to Ellsworth AFB, South Dakota.

Ellsworth AFB is an integral part of the Air Combat Command. The 28th Security Forces Squadron maintains security and law enforcement operations on base. Ellsworth is located ten miles east of Rapid City, a rapidly growing city of over 60,000 people. We also happen to be in a major recreational area, the Black Hills of South Dakota, home of Mt. Rushmore and several other national sites. We also have four colleges/universities which offer courses on the base and another offering courses in the Rapid City area. If furthering your education is a priority to you, you will have the opportunity here. You have but to mention it to me or your sponsor when you get here.

Before you arrive we need to make sure we have appropriate arrangements for you for you at billeting or hospitality quarters in the dorms depending on you marital status. There are several ways reservation can be made:

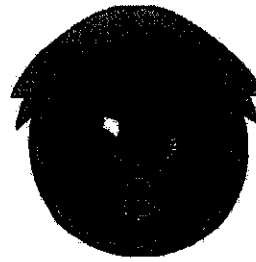

- contact your sponsor and they will do it for you or:
- contact our Billeting Office at DSN 675-1362 or commercial at (605) 385-1362.

Regardless of how your reservations are made, the following is needed:

- your full name
- Social Security Number
- number of inbound persons and most important
- the date of your arrival

Reservations can be made up to 30 days. The sooner reservations are made the better chances you'll have at securing temporary quarters. The base dormitories will have temporary rooms until you're assigned a permanent single room.

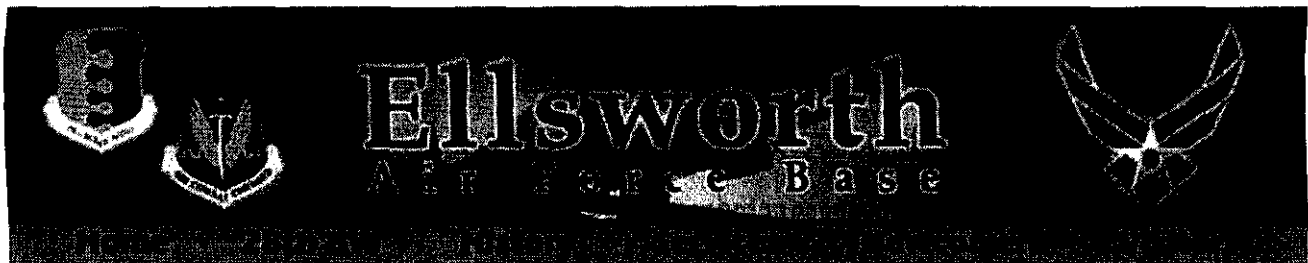

Housing is located close to the base and in the Rapid City area is limited. Monthly rent fees can range from \$350 - \$600, depending on your needs. Several mobile home parks are located throughout the area with units for rent as well as parking spaces for owners. These parking spaces can average \$100 per month. If you choose to live on-base, we have excellent base housing facilities for families. The waiting period for a house ranges from one to two months depending on the number of children you have. You can place your name on our waiting list by visiting your local base housing office prior to your departure. Also, you must check in with our Housing Office upon your arrival prior to signing any rental agreement.

That pretty much sums up what we're all about. Our two-pronged mission is to care for our airmen both deployed and at home with a variety of services. We feed and house them with top-notch dining and lodging facilities and provide morale-building activities such as fitness centers, libraries, bowling centers, tours, and skills development opportunities.

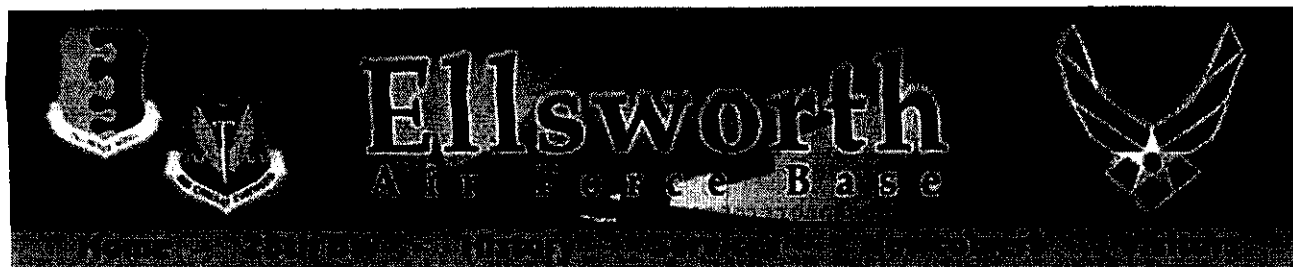

At home, we extend those morale-building activities to family members as well. In addition, we operate child development centers for pre-school children in a safe, nurturing, and educational environment. Our Boys and Girls Club offers school-aged children a variety of activities designed to help them grow mentally and physically strong.

Dakota's Collocated Club carries on the tradition of providing a meeting place for the warrior. In today's calmer climate, family members also find a relaxing place to enjoy a quality meal, beverages, and a pleasant social setting. Wedding receptions, retirement ceremonies, and a host of other special occasions find a home at Dakota's, where "Membership really does have its benefits."
